Match the things on the left with the things they came from on the right.

The matching exercise consists of two columns of illustrations. The left column contains: a personified bandage character with eyes, arms, and legs; a cartoon chick; a baby in a diaper; and a drawing of Jesus with long hair and a beard, arms outstretched. The right column contains: a box of seeds with a flower on it and the word 'SEEDS' written vertically; a woman in a long, flowing dress; a rainbow; a box of 'BAND-AGE Plastic Bandages 25 STERILE' by Johnson & Johnson; and a simple egg.

Find and decorate
the eggs hidden
