

Most of all,
we should . . .

Color the spaces
that have dots.

People love all kinds
of things!

I LOVE
MONEY!

I LOVE
MY CAR!

I LOVE
MY HOUSE!

I LOVE
MY BIRD!

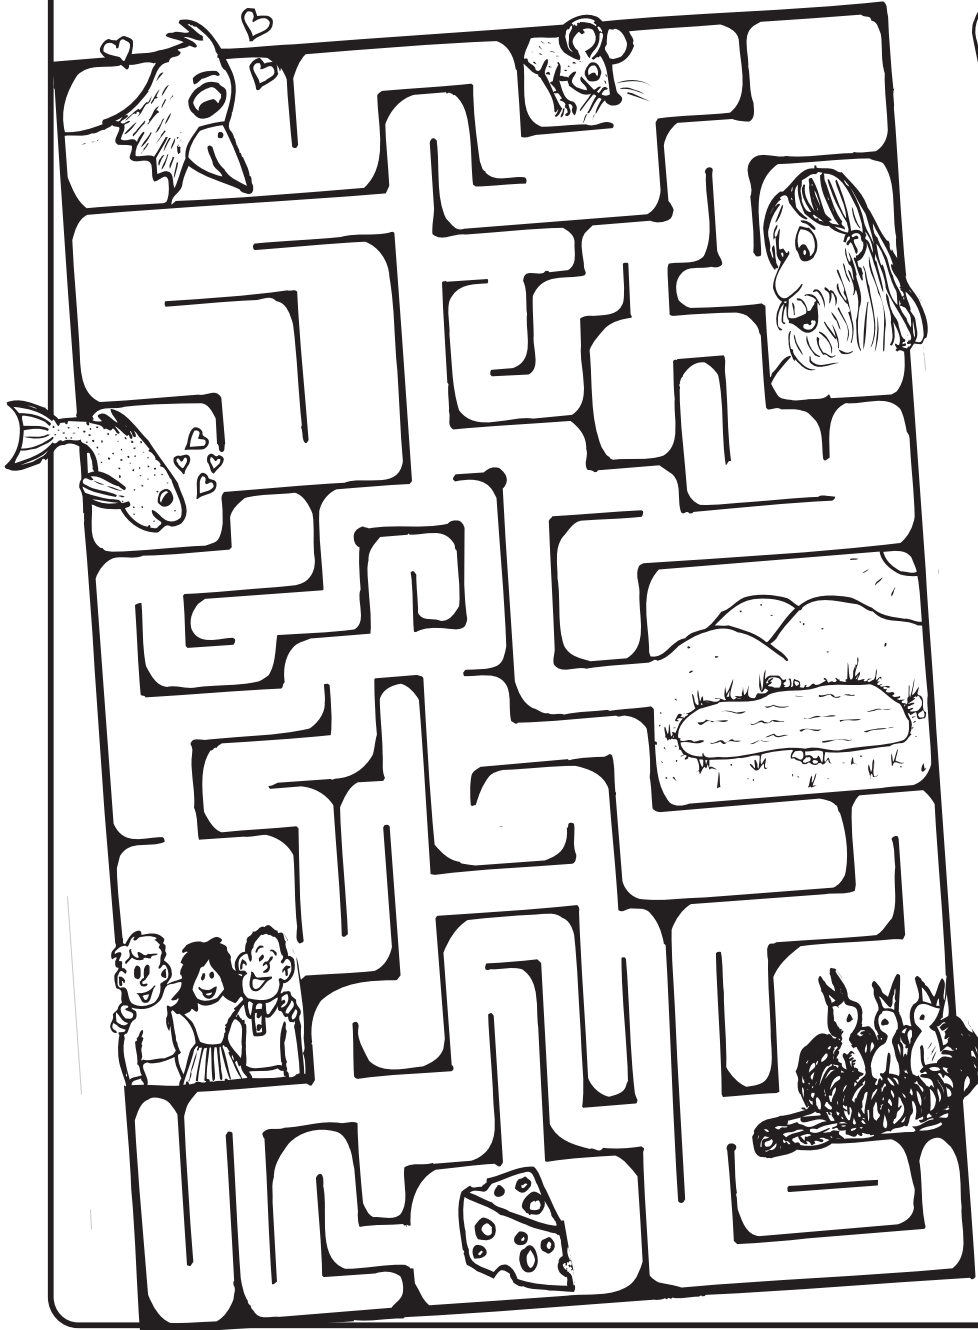

I LOVE
MY CAT!

Match them with
the things they
say they love.
Give them faces.

I LOVE
FOOD!

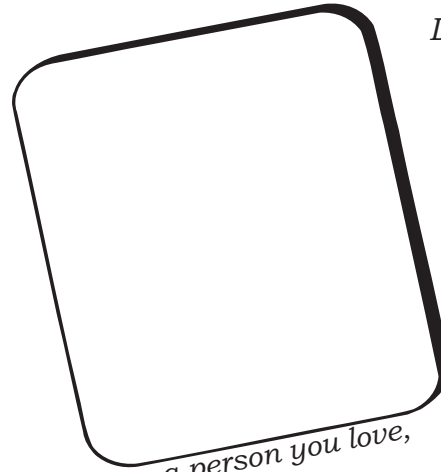

Take them to the things they love.

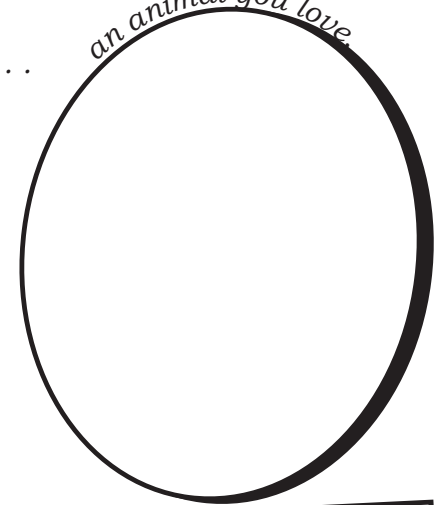

What do you love?

Draw . . .

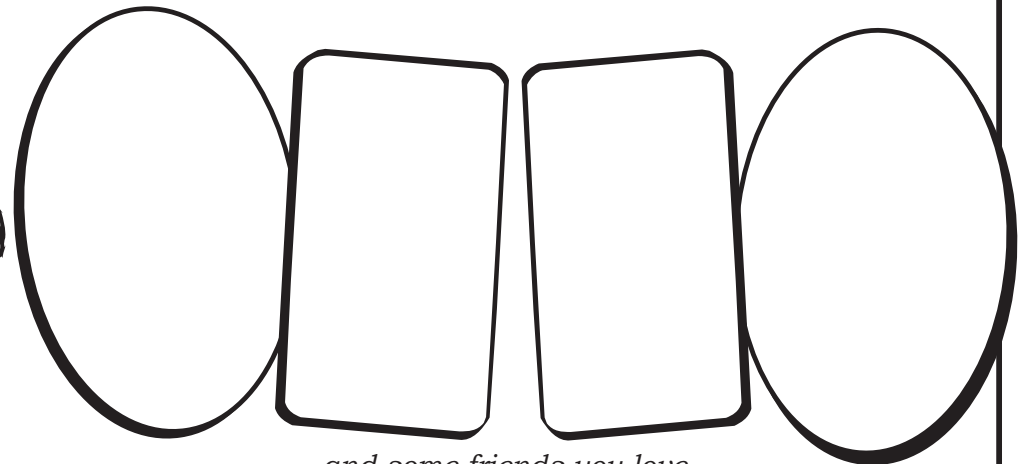

an animal you love

a person you love,

a place you love,

and some friends you love.
