God's word is like  
 a seed.

Draw lots of seeds  
 on this page and  
 give them name  
 (weed, tree, etc.).

DON'T WORRY! IT'S  
 CALLED "GROWING"!

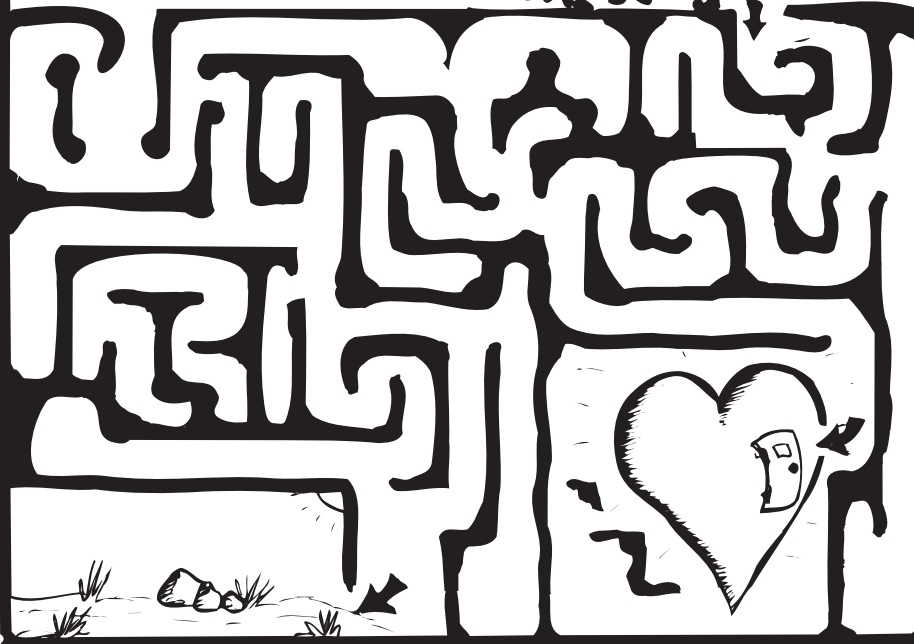

Both are planted:

1

JESUS LOVES YOU!

God's word, in our hearts;

a seed, in the earth.

With help, both will grow.

2

God's word needs . . .  
Match the words with the pictures.

A seed needs . . .  
Draw sunshine and rain.  
Draw a growing seed.

HELPING LISTENING  
STUDY WORSHIP

And they do grow:

3

God's word grows into . . .

Seeds, into . . .

Find "love" seven times,  
faith, six times.

Draw a pretty plant.

Then they bear fruit.

God's word brings wonderful things:

and so do plants.  
Circle the things that come from plants and trees.
