

Most of all,
we should . . .

Color the spaces
that have dots.

People love all kinds
of things!

I LOVE MY DOG!

I LOVE MONEY!

I LOVE MY CAR!

I LOVE MY HOUSE!

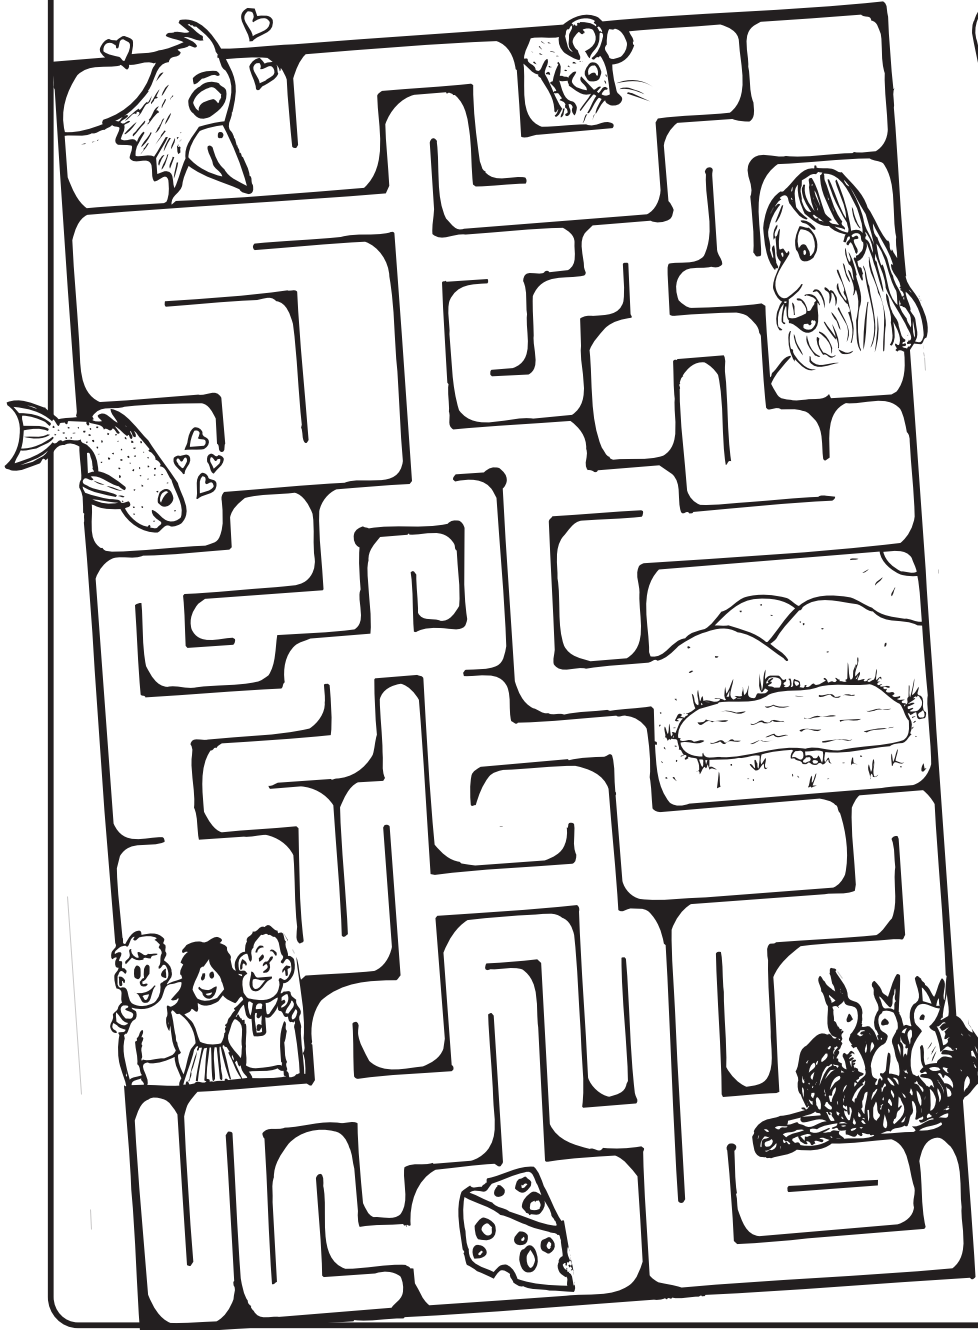

I LOVE MY BIRD!

I LOVE MY CAT!

I LOVE FOOD!

Match them with the things they say they love. Give them faces.

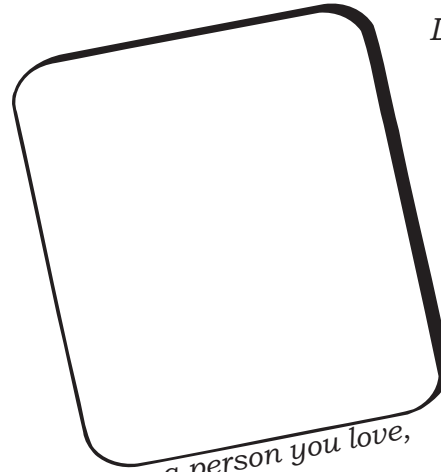

Take them to the things they love.

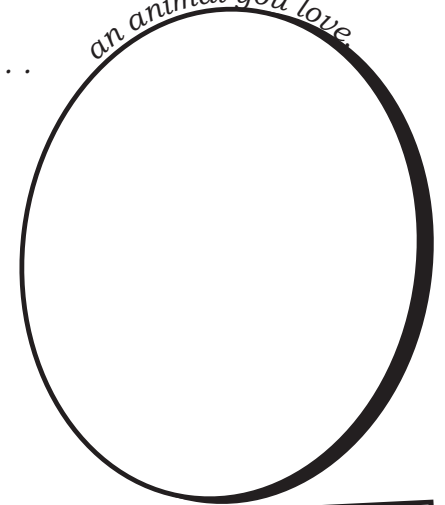

What do you love?

Draw . . .

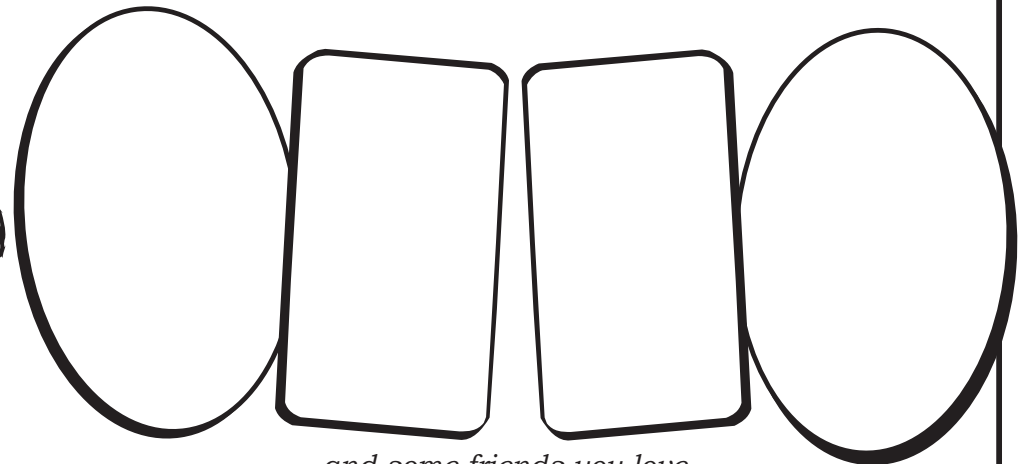

an animal you love

a person you love,

a place you love,

and some friends you love.
