

And it will look for everyone
Who has not seen it yet;
And gather them to God's great love,
Like fish caught in a net.

Matthew 13

July 26, 2020

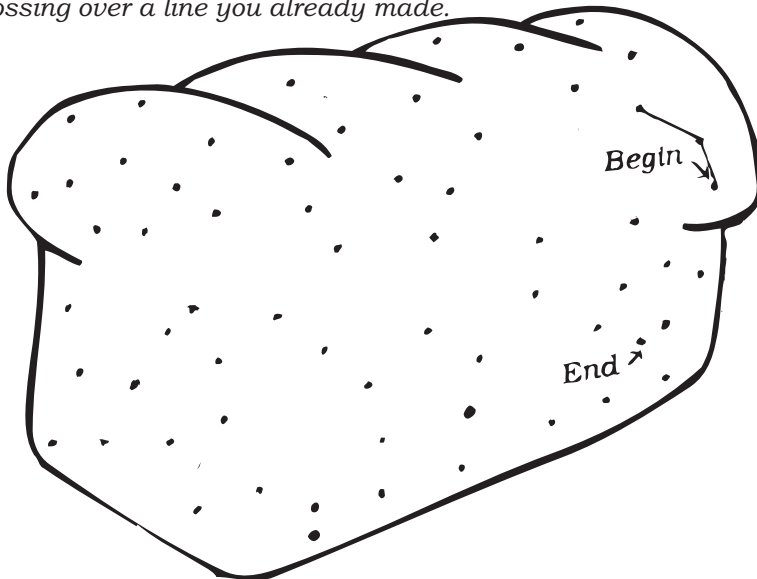

The way a seed becomes a tree,
God's kingdom grows and grows;

Draw a beautiful tree
and fill it with animals

Like bread that rises, full of yeast,

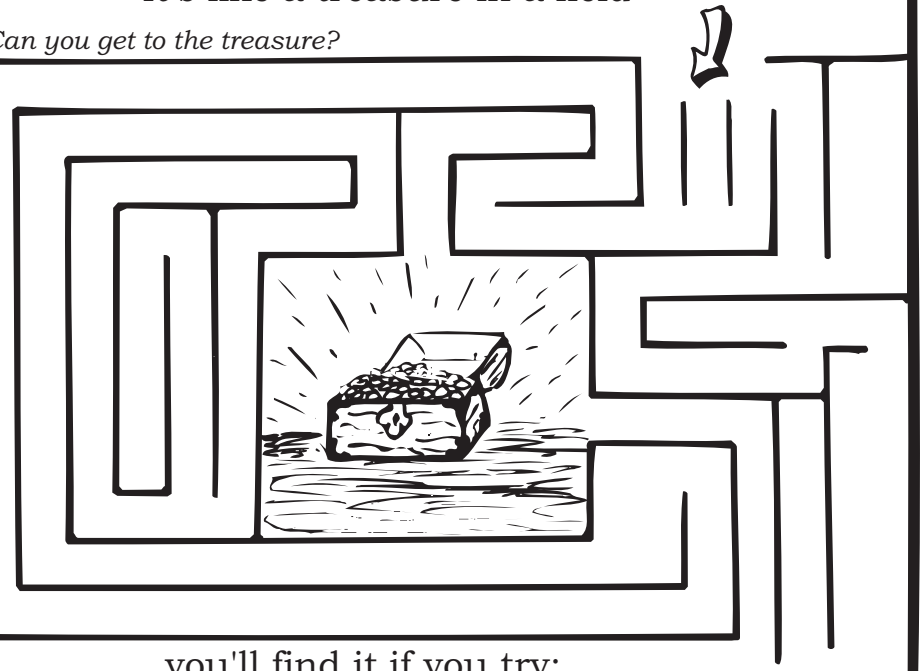

Connect all the dots without lifting your pencil
or crossing over a line you already made.

God's kingdom grows and grows!

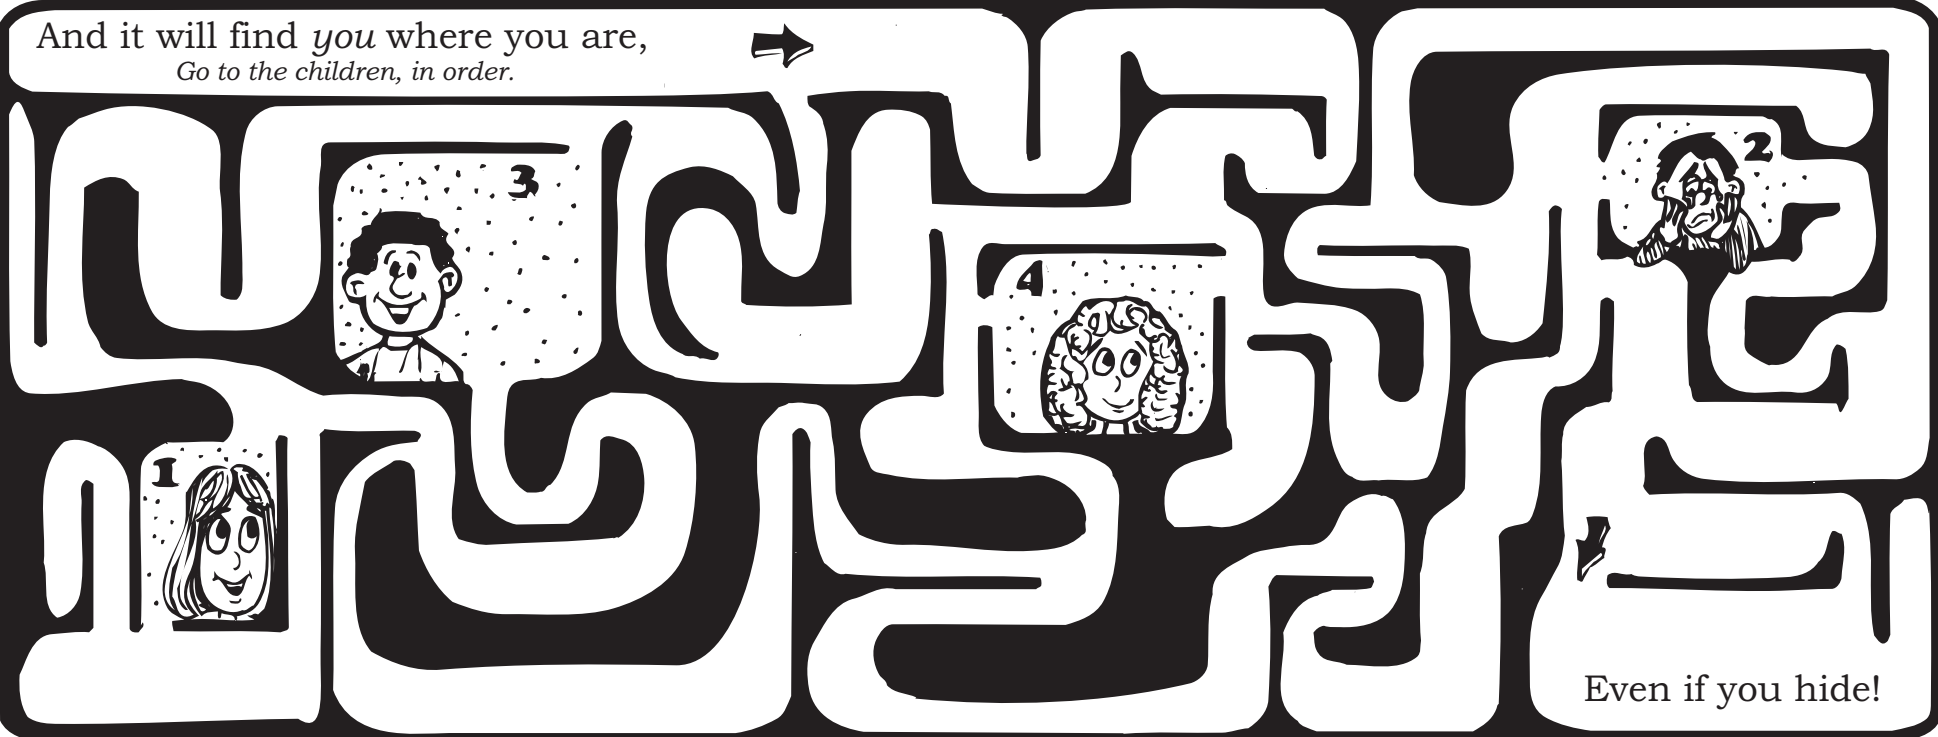

It's like a treasure in a field

Can you get to the treasure?

you'll find it if you try;

And it will find *you* where you are,
Go to the children, in order.

Even if you hide!
